

Health Issues and Missionary Service

H. James Williams MD

Missionary Application

- Be honest and open about health status
 - Reviewed by psychologists and physicians
- Thorough exam
 - Mammography
 - Colonoscopy
 - Immunizations
- List of medications

Don't pressure Stake President or Mission President on health issues

On Arrival

- Three month supply of medications
- Locate a physician
- Take medications including recommended prophylaxis
- Emergency numbers, locations and services

During Mission

- Medical insurance
- Medication refills
- Contact Mission President (wife) about any illnesses or injuries
- Exercise
- Eat properly
- Follow guidelines on water
- Take preparation day

Illness

- May require release or reassignment
- Your offer is acceptable to the Lord
 - D&C 117:13
- Reassignment, if necessary, will be wonderful

Return Home

- Reestablish medical insurance, if necessary
- Follow up with your local physician
- Finish any prophylactic measures
